# HIRAK JYOTI NATH

**CIVIL ENGINEERING GRADUATE | SITE EXECUTION | QA/QC**

Assam, India | 9365736640 | hiraknath4211@gmail.com

## PROFESSIONAL SUMMARY

Civil Engineering graduate (2026) with a one-month summer internship at the Public Works Department (PWD), Goalpara, gaining practical exposure to rural road construction, bitumen extraction testing, soil dry-density testing, aggregate sieve analysis, and geobag-based slope stabilization. Trained in AutoCAD (Civil and Architecture) and STAAD.Pro, with foundational knowledge of structural analysis, technical drafting, and Microsoft Office. Seeking an entry-level Civil Engineering role in site execution or quality control (QA/QC).

## TECHNICAL SKILLS

**Construction & Site Practices:** Rural road construction, site practices, slope stabilization using geobags

**Testing & Field Methods:** Bitumen extraction test (DBM), Core Cutter Method (soil dry density), sieve analysis (WBM aggregate grading)

**Design Software:** AutoCAD (Civil and Architecture), STAAD.Pro

**Office Applications:** Microsoft Word, Excel, PowerPoint

## INTERNSHIP EXPERIENCE

**Public Works Department (PWD), Goalpara, Assam**

***Civil Engineering Summer Intern | JULY 2023 – AUGUST 2023***

- **Road Construction:** Gained field exposure to rural brick-block road construction and site practices.
- **Bitumen Testing:** Observed and/or assisted with bitumen extraction testing for Dense Bituminous Macadam (DBM).
- **Soil Testing:** Gained practical exposure to the Core Cutter Method for determining soil dry density.
- **Aggregate Testing:** Conducted or assisted with sieve analysis of Water Bound Macadam (WBM) aggregates to assess particle-size distribution.
- **Slope Stabilization:** Learned about the use of geobags for slope stabilization under the Urpad Bil Project, Goalpara.

## CERTIFICATIONS

**AutoCAD** (Civil and Architecture) — CAD DESK | **STAAD.Pro** — TRTC

## EDUCATION

**Bachelor of Technology (B.Tech.) in Civil Engineering** | Graduated 2026

Girijananda Chowdhury Institute of Management and Technology (GIMT), Azara

Assam Science and Technology University (ASTU)
