

HIRAK JYOTI NATH

CIVIL ENGINEER

PLAN | DESIGN | BUILD | SUSTAIN

PERSONAL DETAILS

Date of Birth: 29 July 2002
Nationality: Indian
Languages: English, Hindi, Assamese
Location: Assam, India

TECHNICAL SKILLS

- AutoCAD
- STAAD.Pro
- MS Office (Word, Excel, PPT)
- Photoshop
- Video Editing
- C / C++
- JavaScript
- HTML & CSS
- Python / PowerShell

SOFT SKILLS

- Analytical Thinking
- Problem Solving
- Quick Learner
- Adaptable & Agile
- Good Communication
- Team Collaboration
- Self-Motivated
- Time Management

"Engineering Solutions for a Better Tomorrow"

PROFESSIONAL SUMMARY

Civil Engineer with a strong academic background and practical exposure in civil construction, CAD, structural design and estimation. Completed a one-month summer internship with the Public Works Department (PWD), Goalpara. Skilled in AutoCAD, STAAD.Pro, MS Office and various digital tools, with additional knowledge of programming and web technologies. Eager to contribute to construction, design or technical operations and grow professionally in a dynamic engineering environment.

EDUCATION

B.Tech in Civil Engineering (Graduated 2026)
Girijananda Chowdhury Institute of Management and Technology (GIMT), Azara, Assam
Under Assam Science and Technology University (ASTU)

INTERNSHIP EXPERIENCE

Summer Intern — Public Works Department (PWD), Goalpara
Duration: 1 Month | Summer Internship

- Gained practical exposure to field construction activities and public infrastructure workflows.
- Observed real-time execution of civil works, structural quality checks, and site management.
- Learned basic estimation methods, material documentation, and departmental administrative procedures.

CERTIFICATIONS

- **STAAD.Pro Certification** — Structural Analysis & Design Mastery
- **AutoCAD Certification** — Professional Architectural & Engineering Drafting
- **BE10X** — AI Tools & ChatGPT Generative Models Professional Workshop

CORE CIVIL ENGINEERING KNOWLEDGE

- Structural Design Fundamentals & Load Analysis
- Reinforced Concrete Design (RCD) Principles
- Building Construction Methods & Construction Materials
- Quantity Surveying, Cost Estimation & Budgeting
- Engineering Drawing Interpretation & Technical Documentation
- Indian Standards and Building Codes (IS Codes)

CAREER OBJECTIVE

To work in a challenging environment in the field of Civil Engineering, CAD/Design, Estimation or Construction, where I can apply my academic knowledge and practical experience, contribute effectively and continue to grow professionally.
